the 1990s, the number of people with a diagnosis of schizophrenia has increased in the United Kingdom (Meltzer 1996). The prevalence of schizophrenia in the United Kingdom is estimated to be 1.2% (Meltzer 1996).

There is a growing awareness of the need to improve the lives of people with schizophrenia. The United Kingdom has a number of national strategies for mental health care, including the *Mental Health Act 1983*, the *Mental Health Act 1994*, the *Mental Health Act 2003*, and the *Mental Health Strategy for England 2006*. These strategies aim to improve the lives of people with mental health problems, including those with schizophrenia, by providing them with the best possible care and support.

One of the key areas of focus in these strategies is the need to improve the lives of people with schizophrenia. This includes providing them with the best possible care and support, and ensuring that they are able to live full and meaningful lives. The strategies also aim to improve the lives of people with schizophrenia by providing them with the best possible care and support, and ensuring that they are able to live full and meaningful lives.

Seniors of 1945

The Senior Class of 1945 is the biggest of any we have had in DeMotte High School. When we entered school there were about 54 of us. During the years past we have lost some of our students but in their place we have had some new additions to our class. There are now thirty of us.

Due to the war three of our class-members are now serving in the armed forces. Perhaps before long there will be more gone from the class. The three are James Fieldhouse, John Louis Walstra, and William Ely. We give them our best wishes in their new careers.

We have had a lot of fun. There never was anything doing but what we were in it. We had fun galore torturing the Freshmen during the Freshman initiation. And the poor teachers, when we look back and think how we treated some of them we often wonder why they didn't give us more paddlings than they did.

Senior Class History

In the fall of "42" we set sail in the ship of learning from the port of ignorance with 34 green Freshies on board. The captain on board was Jim Fieldhouse; as mates were Kenneth Brooks, Barbara Rowen, and Dick Hendricks. The waves were rough and as our ship was frail we saw need of appointing some one to steer us upon the right course. We chose Mr. Ely. At a meeting of the officers and middies we chose the colors Blue and Yellow to fly on our mast. We were all seasick until we became full-fledged members of the sea, by being initiated by the Senior Classmen. In October we celebrated by having a roller skating party.

After three months' vacation in the new ship, "Sophomore" we had thirty aboard ship this time. As captain of the new ship we chose Barbara Rowen, with Jim Fieldhouse, Shirley Hart, and Alice Moolenaar as mates. This year we chose Mr. Ewart to steer us upon our course. Near the Close of our Journey we held a weiner roast in Belstra's woods. We then dropped anchor for a few months' vacation.

Before setting sail upon our third voyage, we made our way to the shipyard. Here we selected a ship which we named "Junior." To steer us upon our course we chose Mr. Stangle. As captain we elected Barbara Rowen, and as mates, Bernie Marshall, Evelyn Osting, and Alice Moolenaar. On March 31, 1944, we presented the three act farce "For Pete's Sake" which proved to be a huge success. At the close of school we gave the Seniors a farewell tribute by entertaining them with a banquet at Mary's Restaurant, and all, both Seniors and Juniors, reported having the time of their lives. Our third trip ended then and we took a four month vacation.

In the fall of 1944, 30 members came back on board for our last trip on the Sea of Learning before we all set sail upon the great sea, The Sea of Life. For this final trip together, we elected Dick Hendricks, as captain, and Milton Peterson, Bernie Marshall, and Jim Fieldhouse as mates. Because of a member had to leave we chose Norman Abbring as one of the mates. Since the waves were unusually rough and continued to be so, we chose Mr. Moore to steer us upon our last course. The ship we chose was the "Senior." We decided to keep our same class colors of blue and yellow. Our class motto is "If We Rest We Rust." Our play this year we tried to equal if not to better that of last year and presented "One Delirious Night." The end of our trip is in sight. After graduation we embark again—we set our sails and are off to unknown ports.

Class Poem

We, this class of '45
Are waiting anxiously for April to arrive,
But while we are waiting for this precious date
We want you to meet each and every class mate.

Mr. Moore, our sponsor, we'll now introduce.
Good shop classes he sure can produce.
He's always been helpful in every situation;
We hate to say goodbye to him after graduation.

First on the list is that quiet lad
Who really never is very bad.
Norman Abbring is his name;
We're sure he'll acquire the most of fame.

A Swedish lad with light blond hair;
As a basketball hero he's more than fair.
His physique is admired by every boy,
His last name Anderson; his first name Roy.

Florence's hair is long and blond
Second to Betty Grable.
A career as a secretary she is fond;
We're sure that she is able.

Her name is Mildred Ellen Black;
She is quite slim and tall.
In music we agree she has a nack,
She may rate Carnegie Hall.

To be an angel of mercy is her goal;
We know she will succeed.
For Thelma is willing to pay the toll;
She deserves much luck indeed.

La Verne has a sense of humor and also many friends
To be a cabinet maker he intends;
As center on our football team he really kicked that ball;
We're sure that "Deedle" really has no enemies at all.

He now is in the Air Corps working for Uncle Sam;
Private William Benjamin Ely has passed his exam.
As a soldier we're sure that he'll surpass
Most other lads in every class.

Class Poem

In school he was just a fellow classmate.
But now he will probably be a firstmate.
Sailing, sailing, over the sea is he;
It's Jim whose joined the Navy.

In shorthand and typing she sure is clever;
To be a secretary is her endeavor.
In music, Shirley can play every note
That Bach, Beethoven, and Brahms ever wrote.

He's known as the wolf of the Senior class
Who gets acquainted with every lass.
By this introduction no more need be said;
For Dick Henrichs we imagine will soon to be wed.

His way with girls and for his dimples he's known;
When you see him he's never alone.
For sleeping in class he's known by all teachers,
Bill Hoffman's a lad with many fine features.

Quietness is his virtue and bashfulness too.
He really gets around though his car's not new;
It rattles and bangs, but furnishes fun.
Howard, what really makes your car run?

His blond wavy hair makes a girl swoon,
With his deep bass voice he really can croon.
He is a boy who deserves much esteem;
Johnny is really on the beam.

Oh, his tenor voice is really O.K.
The boy, of whom we're speaking, is Nelson Jabaay.
On the saxophone, too, he really is grand;
Who knows, someday he may have a swing band.

Her Irish eyes are smiling
(It's Sue Kearney whom we mean.)
She has her hopes in hair styling;
Success to you Colleen.

A great mathematician she'll probably be.
She's always been good in geometry;
Also in basketball she has quite a way.
Henrietta's a swell girl and rates an O.K.

Class Poem

Next is the secretary of our Senior class,
Who I am sure is admired by every lass.
On the basketball floor he's not just partial;
You guessed it folks it's Bernie Marshall.

Her hair is naturally curly and her eyes are blue;
She is a whiz at Math and Music too.
Yet disagreeing with teachers gives her fame;
That's right—Alice Moolenaar is her name.

Ray Muraida is our artist, who can draw most anything;
He's tall, dark and handsome, almost as cute as Bing.
His manners sure are perfect and his conduct is grade A;
We're sure you'll all agree with us, that he really is O.K.

Known as a cheerleader through high school years
Evelyn is the one who deserves the cheers.
Friendly to all and always pleasing
Her good points are evermore increasing.

And here is to Milton, our young Lockinvar;
At making love in the play he sure was a star.
As editor of our annual he tried out his hand;
And did a fine job as you understand.

Bill Recker seems to be a happy lad,
For we do believe we've never seen him sad.
He always is grinning from ear to ear;
When everyone's joking you'll know that he's near.

Next is Frank Roorda, a tall, lean lad,
Whose hair style seems to be the latest fad.
A chemist someday he hopes to be;
We're sure he will, just wait and see.

Barbara is a girl who has many friends;
A's are her goal and to her studies she tends.
To college she'll go with anticipation
And rate a salute at graduation.

Class Poem

Oh Joe sure has a fine tenor voice;
The Army Air Corps is his choice.
His good sense of humor is enjoyed by all;
We know he'll be missed when he gets his call.

Marilyn Sekema is now her name
Though we don't expect it to stay the same.
For on her finger she wears a ring;
She hopes to marry a year from spring.

A Marine is her thought both day and night;
She'll soon be saying "I do."
Dorothy's engaged and her future looks bright;
We wish her luck and happiness too.

Arnold Swart, the tallest in school,
He plays hookey as a rule.
He's gone with many girls, we bet;
But no girl has captured his heart as yet.

She plays the bass drum in our school band;
She sings alto in our school choir;
The subject that's her favorite is shorthand.
We're sure that Berniece will go higher.

As a cheerleader she's always been more than fair;
She has brown eyes and dark brown hair.
Her nickname is Biddy and her pet peeve
Is when you call her Genevieve.

And now that you've met us we're happy as punch
That we all are members of the D.H.S. bunch
Tho' we're sorry to leave you we'll leave in good grace
Till the class of '46 takes our place.

Class Will

We, the Senior Class of 1945, being in as good mental condition as usual and in much better temper than usual do hereby make this our last will and testament. In this manner do we dispose of our possessions.

We give and bequeath to the Junior Class (our rightful heirs) our self-satisfaction, our importance, our dignity, and our wisdom, all of which we possess in enormous quantities.

To the Sophomore class we will our mischievous and manners in hope they take good care of them.

To the Freshmen we will our second hand gum. You see, the teachers made us dispose of it, and we left it in good reach of all.

To the teachers we will our humor and perfect attendance record, also our ability to get to class on time.

I, Norman Abbring, will my good salesmanship to John Bozeman to apply it later in the wine business.

I, Roy Anderson, will my last name to Frieda Cheever. We wish you lots of joy.

I, Mildred Black, will my love for Literature and Shakespeare to Dennis Swart. Better luck next year, Denny.

I, Bernice Terpstra, will all my chicken scratches (known as short-hand) to Bethel Schwake.

I, James Fieldhouse, will my Navy Blues to Alice Rowen. We know the Navy has a special attraction for her.

I, Howard Hoffman, will my jalopy to Edward Goetz. Now Ed can take all the girls of the junior class out for dates.

I, William Hoffman, will my dimples to Josephine Speechley. Oh, what an alluring smile you will have!

I, Sue Kearney, will my deep thought and quiet dependability to Evelyn Hoffman. "We Seniors" think she needs it.

I, Evelyn Osting, will my ability to keep a boy friend to Josephine Speechley. We think you can do it, Jo.

I, Biddy Wright, will my position as cheer leader to Mabel Sekema.

I, Shirley Hart, will my figure to Barbara Stangle.

I, Barbara Rowen, will my good standing with the Schoonvelts to Don Peterson. Good luck, Don. What, Margaret?

I, Milton Peterson, will my sociability to Calvin Swart.

I, Dorothy Story, will my title "Miss" to LaVern Evers. Dorothy won't be able to use it much longer.

I, Dick Henrichs, will my ability to get the girl I want to Willard De Fries.

I, Thelma De Fries, will my athletic ability to Ella Vander Molen. Next year, Ella, we expect you to be a star basketball player.

Class Will

I, LaVERN De Kock, will my diet and "kick-off" in football to Willard De Fries.

I, Henrietta Kingma, will my alto voice to Charmaine Hockney. Let's hope you make good use of it.

I, William Recker, will my "grin" to Jean Schuringa. We know you'll profit by it, Jean.

I, Bernie Marshall, will my irresistible ways to Ed Goetz. Take it easy, Ed.

I, Joe Ruisard, will my ability to argue with Mr. Stucker to Ann Vander Molen. With your intelligence, you should be able to "stump" him.

I, Marilyn Sekema, will my ability of getting diamond rings to Virginia Mak. (We expect her to use it, too.)

I, Florence Belstra, will my way with the Wheatfield boys to June Swart.

I, Frank Roorda, will my hair style to Rhoda Unzicker. Anything for a change, you know.

I, Ray Muraída, will my smile to anyone that will wear it. "We Seniors" think that some people could use it.

I, Alice Moolenaar, will my trombone to Kathleen Sauer. Come on, Kathleen, you have plenty of wind, let's hear some *Music*. We know you had practice making noise on those symbols.

I, Arnold Swart, will some of my height to Bethel Schwanke.

I, William Ely, will my technique of steering clear of women entanglements to Calvin Swart. We know you'll be able to use it, Cal.

I, John Int Veld, will my wavy, blond hair to Don Peterson. Oh, what a beauty Don will be!

I, Nelson Jabaay, will my ability to get into trouble and my ability to get along with the teachers to next year's Freshmen.

To—

Mr. Moore, a class of Seniors that do not skip school.

Mr. Stucker, a more intelligent Civics class, if that's possible.

Mr. Stangle, a Latin class that knows what "amo" means.

Miss Gundy, a Bookkeeping Class that knows what liabilities and assets are.

Miss Haas, a Physical Ed class that can keep in step while marching.

Mr. Ewart, a Literature class that knows their Shakespeare.

Miss Kolling, an Art class that can draw pictures with the correct perspective.

Mrs. Gidley, a Geography class that knows where America is.

Mrs. Steunenbergh, a boys' chorus for next year.

DeMotte High School, a band director.

Class Prophecy

Here, in 1955, we find the former Barbara Rowen rocking Art Jr. to sleep. She turns on the radio—and—"This is Milton Peterson bringing you your news program of news and other items. Tomorrow afternoon LaVern DeKock's Silly Super Circus, starring Alice Moolenaar as trapeze-artist (who is always falling—for men), opens in Podunk.

That super combination of Roy Anderson and Bernie Marshall is really tearing up the Football league. They are now playing football for the Chicago Bears where Mr. Stucker is the coach.

Arnold Swart, famous lawyer, was married to the beautiful Thelma De Fries last night. They were married by the Reverend John Int Veld, newly ordained minister. William Recker, Mr. Swart's book-keeper, was best man at the wedding. Miss Dorothy Story was maid of honor. Miss Story and Miss De Fries were both Red Cross nurses in China during World War II.

The laboratory of the famous Chemist Wm. B. Ely, Jr., blew up last night. He escaped with minor injuries.

The premiere of "Replica of DeMotte in 1944-45," starring Howard Hoffman and Evelyn Osting, was shown last night at the Kolling Theatre.

Miss Henrietta Kingma accepted a position of Professor of Mathematics at Humpty-Dumpty University teaching bad eggs.

Nelson Jabaay took off for Venus in his new rocket ship this morning. Bon Voyage!!"

Snap! She turns the radio off, and picks up the newspaper. Turning to Berniece Terpstra's Gossip Column she reads:

"Joe Ruisard finished first in the auto races in Indianapolis this year. Congratulations!!"

Ray Muraida is now drawing pin-up pictures for "Esquire."

Richard Henrichs, who has been Romeioing around the last ten years is engaged to Miss Mildred Black, former Band director at DeMotte High School. Has the band improved, Midlred?

Dr. James Fieldhouse began doing boogie woogie in order to keep physically fit. He and his partner, Biddy Wright, are now giving lessons. Shirley Hart, now world famous concert pianist, is accompanying them.

Bill Hoffman has now retired to his 80 acre farm. (Please note, Mr. Stucker). He has been serving in the Navy since his graduation from DeMotte High School.

Sue Kearney has developed a new hair-do for Florence Belstra for her next concert.

Norman Abbring will be able to start in the 100 yd. dash in the Olympics. He was treated by the well-known osteopath, Frank Roorda, for injuries on his knee incurred in practice. Frank Roorda received his practice as osteopath in the Senior Play of '45.

Come to Marilyn Sekema's dress shop to see all the latest styles!

Art Jr. is now asleep. The doorbell rings and Barbara admits Mr. Moore, who comes to tell her his troubles. He has just discovered that two cannot live as cheaply as one—after 20 years of married life!

Here comes Art Sr.—Good night, all.

Junior Class History

The Junior class this year has a total enrollment of 23. Seventeen of which are girls. In the last few years our class has been steadily decreasing in number—boys especially.

In 1942 when we entered High School we chose Calvin Swart as class president; Ella Vander Molen, vice president; Josephine Speechley, treasurer; and Willard De Fries, secretary.

Our colors it was decided were to be black and gold and our sponsor for that year was Mr. Wurzburger.

In our Sophomore year our class officers were as follows: Alice Rowen, president; Calvin Swart, vice president; Willard DeFries, secretary, and Jean Schuringa, treasurer. Mrs. Rainwater was chosen as class sponsor and our class sponsored a highly successful carnival. It was because of our giving the carnival that we received the reputation of the wealthiest class in school, financially.

In our Junior year we elected Willard DeFries, president; Calvin Swart, secretary; Don Peterson, vice president and Jean Schuringa, treasurer. Miss Mann who left us mid-year was replaced by Coach Stucker as our class sponsor. Under Mr. Stucker's able guidance our class plans to put on the play "Act Your Age." We are also looking forward to a few parties this spring one of which will be given for the Seniors.

Sophomore Class History

There are 22 students enrolled in the Sophomore class this year. The officers of the class are as follows: Kenneth De Vries, president; Don Chappell, vice-president; Margaret Curtin, secretary; Margaret Schoonveld, treasurer. Our sponsor is Miss Betty Gundy.

We had a sleighing party in December.

Freshman Class History

There are 29 students enrolled in the Freshman class of this year. The officers of the class are: Norman Chappell, president; Joyce Burger, vice-president; Irene Muraida, secretary; Arthur Lagaveen, treasurer.

We were initiated by the Seniors near the last part of September, and became full-fledged Freshmen.

We had a class party near the first of October.

Our basketball team has had a new coach this year, namely, Mr. Stucker. We think he has done a good job for the first year. We lost the entire first team and a couple of promising second team fellows by graduation and to the Services. Our record now stands 9 won, 9 lost. With Denny and Arnold back in action and with three straight victories under our belts we headed into the sectionals with plenty of spirit.

DeMOTTE GRADE BASKETBALL

For the first game, we went to Tefft. They won 27 to 25 in a very close game. The next game was with Tefft here. This time we won 26 to 25 in a real thriller. After that Kniman came here for a game, and we won 18 to 10. Andy Systema was on the beam today and made all 18 points. We went over to Wheatfield and beat 'em—28 to 17. Next we took a journey to Kniman and came back with a defeat. Lost 18-12. Then we went to Rensselaer on Friday night and took a licking 40 to 8. Here is a list of the fellows on the grade team: George Meyers, Cecil Meyers, Andy Systma, Denzil Barker, Lawrence Terborg, Paul Henricks, Marty Hoffman, Kenneth Heimlich, and Don Fieldhouse.

SECTIONAL

EXTRA! EXTRA! Remington nips DeMotte to take Sectional crown. In the final game of the Sectional DeMotte put up a hard fight but couldn't quite make it. At the end of the first half DeMotte was behind 27-18. When the third quarter ended, DeMotte trailed by five points. We kept coming up and several times were only one point behind. With 2 minutes to go Remington hit two sleeper shots and a foul to win by the score 51-45. Before the tourney DeMotte was given little chance of winning the Sectional, but quite a few people were surprised at how far we went. We just hope the fellows next year do better and win the Sectional crown.

Junior Play

OUR JUNIOR PLAY CAST, 1943-44

First Row (l. to r.): A. Moolenaar, M. Black, S. Hart, Mr. Stangle, H. Kingma, E. Osting, B. Rowen.
Second Row: W. Recker, R. Henrichs, F. Roorda, J. Fieldhouse, B. Ely, N. Jabaay.

We presented our Junior Play, "For Pete's Sake," on March 31, 1944. The play was a huge success.

Senior Play

SENIOR PLAY CAST, 1944-45

First Row (l. to r.): S. Kearney, T. DeFries, Miss Kolling, Mr. Moore, Miss Gundy, E. Osting, B. Rowen.
Second Row: S. Hart, N. Abbring, B. Ely, F. Roorda, J. Fieldhouse, L. DeKock, R. Muraida, M. Peterson, M. Black.

The Senior Class presented their annual class play, "One Delirious Night," on December 8, 1944. This play also was a success.

Home Ec.

This year there were fifty-three girls enrolled in one of the best equipped Home Economics Departments in Jasper County.

The units taught this year were: Planning, Preparing and Serving Meals; Personal and Social Relations; Relationships in Home and Community Living; Clothing; and Housing the Family.

Chemistry

The Chemistry Club is composed of the Students of the Chemistry Class with Mr. Moore as the teacher and sponsor. This club meets once a month in the shop for recreation and refreshments. Mr. Moore usually demonstrates the use of electrical equipment.

The officers are Alice Moolenaar, president; Henrietta Kingma, secretary-treasurer.

Commerce

This fall, the Commercial Room was moved into the room which was used previously for the Library, off the right of the assembly. It is among one of the newly decorated rooms in the building.

There is a wide branch of subjects offered in the commerce division: Advanced Commerce, Typing I, Shorthand I, Bookkeeping, and General Business. Throughout the year, the Advanced Commerce Class has been responsible for the printing of the school news and various jobs of this type for the school.

Shop I

The shop one class was made mainly from the Senior boys. Mr. Moore came to DeMotte in the fall of 1944 to teach shop and science. He brought with him his equipment to teach the boys of DeMotte.

Shop II

In Shop 2 we take up metal work. We have two metal lathes and other metal tools. In the large shop we have two forges, anvils and the usual tools.

Welding

Mr. Moore also brought with him to DeMotte two electric welders. He brought several welding helmets also. As soon as the weather permits we hope to take welding lessons in the large shop.

Shop Projects

With the aid of Mr. Moore and with the use of his tools a wide assortment of projects were undertaken by the students of DeMotte High School. The Girls are also making things in shop.

Desks, end tables, serving trays, table lamps, pin-up lamps, fern stands, tables and many other projects were under construction during the year. All the boys and girls really appreciated the chance to "learn while doing."

Football

Our football team did well this year, even though they lost three games. Two of these games lost were very close. Perhaps these games may have been won if LaVern DeKock and Don Peterson had not been absent because of injuries.

The 30 to 34 loss to Wheatfield killed DeMotte Hopes of sharing in the conference title, which was won by the undefeated Wheatfield team.

Swart, Chappell, and Peterson will be back next year to give DeMotte a speedy, clever, and experienced backfield.

Track

Last year was a fairly good year in track. In our first meet we met Wheatfield and won easily. Next we met Fair Oaks and won again. Then we went to Crown Point in a dual meet and won easily. Then came the County Track Meet. It was held here because of the condition of Rensselaer's track grounds. Fair Oaks was first: 41 2/3 points, DeMotte 40 1/3, Rensselaer 29, Wheatfield 19, and Remington 3. The Kankakee Valley Track Meet was held in North Judson. Results of the meet were: North Judson first, DeMotte second, Fair Oaks third, Wheatfield fourth, and Knox fifth.

JOKES

After an insulting remark, Brink says to Alice: "You know, that crack reminds me of a story. 'Once upon a time a fox desired very much to catch and eat a duck but couldn't find him. One day the duck found a large piece of baloney and ate it. He was then feeling pretty good and started to quack and make a lot of noise. Well, the fox found and ate him up!' There's a moral in this story for you."

Alice: "What is it?"

Brink: "Never open your mouth when it is full of baloney."

Ray—"How are you?"

Joe—"Oh, I'm about even."

Ray—"How's that?"

Joe—"I figure I owe as many people as I don't owe."

Mr. Stucker—"Biddy, are you in English IV?"

Biddy—"No, not now."

Mr. S. thinking she was kicked out—"Why?"

Biddy—"Because I'm here in Civics."

Hank seeing Brink carry two books to Chemistry.

"Do you figure on reading both them books?"

Brink absentmindedly replies: "No, only two of them."

Shirley—"How are you feeling today?"

Evelyn—"About like 6 days."

Shirley—"How's that?"

Evelyn—"A little week." (weak)

Mr. Moore—"Don, what is gravitation?"

Don Peterson—"Gravitation is that which if there were none we would all fly away."

Mr. Stangle—"What is the definition of an angle?"

Stub Bricker—"An angle is a triangle with only two sides."

Mr. Stucker—"Bill, what is guerilla warfare?"

Bill Recker—"Guerilla warfare is where men ride on guerillas."

CROW'S 607 WHITE Single Cross Corn is unlike any other hybrid. It was converted from strong yellow lines — has extra vigor to resist disease and corn borers — yields as well or better than most yellow hybrids. Corn millers buy all the white corn that farmers can grow. Why not grow all the white corn that **your** farm can handle? White corn prices mean extra money for you — and CROW'S 607 White Single Cross means extra bushels per acre.

NOW is the time to order seed.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's health and social care. The strategy is based on the following principles: older people should be able to live independently in their own homes; older people should be able to access the services they need; and older people should be able to participate in the decisions that affect their lives.

The strategy also sets out a number of key objectives for the future of older people's health and social care. These include: to improve the quality of life of older people; to reduce the inequalities in health and social care; to ensure that older people are able to access the services they need; and to ensure that older people are able to participate in the decisions that affect their lives.
